

# 2024 NFL Survivor Contest

## Basics

- Two contests:
  - One beginning Week 1 (Thursday, September 5th)
  - One beginning Week 7 (Thursday, October 17th)
- Pick one team each week that you are confident will win
  - Each team can only be picked one time in a season, so make your choice wisely
- **Thanksgiving will count as its own week, so make sure to leave one of those 6 teams available**
- If your team wins, advance to the next round and pick another team
- If your team loses, you're out of the contest
- Rebuys are allowed on the following schedule:
  - \$25 to rejoin after Week 1 (or after week 7 in survivor 2)
  - \$50 to rejoin after Week 2 (only available for survivor 1)
  - \$75 to rejoin after Week 3 (only available for survivor 1)

## Structure & Schedule

- First contest begins Week 1 and continues until Week 18 (or until only one player is remaining)
- Second contest begins Week 8 and continues until Week 18 (or until only one player is remaining)
- If multiple players remain at the end of Week 18 in either contest, the prize will be split between all remaining players
- At any point during the season, if all remaining players agree, the contest can be ended and the prize can be split evenly among them.

## Prizes

- Prizes are the same for Survivor 1 (beginning Week 1) and Survivor 2 (beginning Week 7)
- Winner takes all - \$625 for each contest
- \$25 has been removed from the pot for web hosting fees
